

RUBBER MULCH

Great Looks that Last!

WHY RECYCLED RUBBER?

- **DOES NOT DETERIORATE**

Reduces frequent need to replace or replenish as you would with wood mulch.

- **NON-TOXIC, NON-STAINING**

Not harmful to children or animals, color does not stain.

- **AVERTS INSECTS**

Rubber mulch prevents insect nesting, not a food sources – safer for homes, children & pets.

- **WEED BARRIER**

Reduces weed growth for easy maintenance.

- **EXCELLENT DRAINAGE**

Will not float away in heavy rain, plants get more water.

- **VIBRANT COLOR CHOICES – 10 YEAR COLOR WARRANTY!**

Colors stay true and don't fade in the sun.

- **CONSERVES NATURAL RESOURCES**

Manufacturing of rubber mulch does not require the destruction of a tree, since this product already exists as a natural waste product.
